

School of Medicine

Center for Molecular Medicine and Genetics

Division of Clinical Genetics

Interested in becoming a genetic counselor?

Attend our Genetic Counseling Graduate Program Open House

- ⇒ Learn more about the genetic counseling profession
- ⇒ Discover the Wayne State Genetic Counseling Graduate Program
- ⇒ Meet practicing genetic counselors, students and program faculty
- ⇒ Develop strategies for a strong graduate school application

Tentative Agenda

9:30-11:00	Overview of the WSU Program and the admissions process
11:00-12:15	Genetic Counseling Case Presentations
12:15-1:15	Lunch with current WSU graduate students/recent alumni
1:15-2:30	Expanded Roles in Genetic Counseling
2:30-3:30	Genetic Counseling Practice

Two dates available:
Friday, June 22, 2018 OR Friday, August 10, 2018

Please RSVP and direct questions to:
Lydia Knight, M M/HRM at
(313) 577-6298 or lknight@med.wayne.edu

Hope to see you there!
