COURSES PROPOSED

INSTRUCTIONS: Consult with MGG Master's program to identify courses required for the MGG Master's Degree. List chronologically all WSU credits proposed which will apply toward fulfillment of the M.S. degree requirements. Indicate AGRADE courses to be counted toward an undergraduate degree (from 3 to 16 credits total) with an asterisk (*). Consult with undergraduate advisor to ensure that proposed AGRADE courses listed will count toward the undergraduate degree (e.g., either as major courses or electives).
